PASSED THOUSAND MARK AT A. & M.

The Eagle was informed today by Registrar Charles E. Bailey of the A. & M. College at 2 o'clock this afternoon that the registration had reached at that hour 1,003. Up to this time in the opening week last year the registrations were only 850. The president and other college authorities are highly pleased with the splendid attendance and believe the number will reach 1,100 before the beginning of the second term.

PROFESSIONALS WILL WRESTLE

Harry Swoboda, a middleweight wrestler of National fame, who has been in this city for the past few days, has succeeded in securing a match with Cyclone Mitchell, another well known middleweight wrestler, to be staged in Bryan in the near future. This should be one of the best wrestling matches ever staged in Bryan, and all who enjoy such events will be given a chance to see two of the best mat artists in the country at work. Mitchell and Swoboda have never met, but both have been in the business about eight years and have both defeated some of the best men in the game. The match will be to a finish. Both wrestlers were defeated by Pet Brown, the Taylor wrestler, in the past year, but Mitchell was handicapped with a broken rib in his match, and Swoboda was outweighed about sixteen pounds. Swoboda plans to train in Bryan for his coming match.

BRYAN HIGH SQUAD SHOWS UP WELL

For the first time in the season the football warriors of the Bryan high school appeared on the field Friday evening. With many old men and several new ones there is no reason why the high school will not be represented by the strongest football team of the school's history. Twenty-two men appeared at the opening, among whom there is excellent football material. Osborne, Schramek, Cole, Harrison, Gammill, Dobrovoiny, Powers, Cloud, Dunn, Lawson, all old men, aided by some good new material, will with a little practice, develop a strong team. Light signal practice was given at the first meeting in addition to some other exercises to obtain form in the men. A good schedule is being arranged for the team and the management asks the patronage of the friends of the high school in the games played at home.

Among the new members of the squad none are more appreciated than Seale and McCullough. Both are good football men and would be a credit to any team. Any aid that may be given the team in a financial way will be greatly appreciated.

DAY TRAINS POSTPONED.

A bulletin received by R. L. Peck, local agent of the International & Great Northern Railway, states that the day passenger train service on the Fort Worth division of the road will not be resumed until Sunday, October 3, instead of Sunday, September 28, as they announced a few days ago. The night trains will then be run as fast trains, the northbound train leaving Houston at 10 p. m. and arriving in Fort Worth at 10:05 a. m., which will cut about three hours from the present schedule.

The schedule for the day trains on the road has not yet been received.
